

Order for the laundry room

The order for the laundry room is part of the house rules

Washing machine

- The filter of the washing machine must be checked after use and cleaned of dirt and fiber residues.
- The washing powder compartment must be cleared of any residues and wiped with a cloth damp.
- Clean the inner sealing ring of the washing machine with a damp cloth.

Dryer

- The corresponding filters must be cleaned in the door and/or on the inside or rear of the dryer as well as completely cleaned of fiber residues.
- The fuselages and fiber residues from the filters should be disposed of in their own waste (do not throw it behind the machine!).

General

- Washing is allowed from 7:00 a.m. to 22:00 p.m. On Sundays and public holidays may not be washed.
- Do not use abrasive cleansers or abrasive objects such as steel wool, etc. when cleaning the machines.
- The laundry room and drying rooms are to be wiped briefly after use.
- The empty detergent packs and lint from the dryer must be disposed of in your own household rubbish.
- The laundry may not be hung in the laundry room until it is dry. It is forbidden to deposit a rack or clothes pile on the floor.
- Leave the laundry room clean and tidy - the way you would like to meet it yourself.
- If you are unsure about the handling of the machines, refer to the instructions for use or contact us.

We ask for your attention and thank you for your help. Please note that **long-term damage due to inadequate cleaning / care will be charged to the tenant in full.**
