If my daughter/son is unable to fulfil the contractual conditions at any point in time, I shall undertake to fulfil her/his obligations for a maximum of three month's rent during the rental period. If a rental payment becomes overdue, I will be informed directly by Juwo.

This agreement does not relieve the tenant from her/his obligations to fulfil the contract, such as paying rent on time. Rather, its purpose is to provide financial security for Juwo.

Guarantor's signature

The guarantor is obliged to sign the document by hand. This is the only way to ensure the validity of the co-financing confirmation.
